Sandhya Gatti, our Head of Pedagogy and Professional Development, was featured in the LiveMint where she discussed the topic of developing reading skills among young learners.

## ***What to do if your child is struggling to read***

Skilled reading requires many interwoven abilities, and as parents, we need to look for programs that address all of them

There is no doubt that the pandemic put our children behind the learning curve in basic reading and writing skills. (Photo by Johnny McClung on Unsplash)
